

Candidate for 3rd Vice President of the International Lions Club Association - Montreal 2021 Convention

**NEWSLETTER nº 01 – March 27, 2021**

Dear Lions and Leo Family!

We hope that everyone is well, healthy and motivated to make a difference, even in this pandemic scenario that we are living. We need to move on and make important decisions, for we are experiencing an opportune time to do so.

Considering PID Rosane's well-known competence and leadership, we are delighted to REITERATE her name certification together with Lions Clubs International as a candidate for 3rd International Vice President at the Montreal Virtual Convention; through a solid and respectful campaign for over 10 years.

Candidate PID Rosane has the endorsement of the largest Multiple District in Constitutional Area 3, the DMLD, composed of 9 Governors and close to 15,000 members and has so far not had the opportunity to have an International President.

PID Rosane is admired by the Latin American Leonism and a legitimate representative of Constitutional Area 3, where she was present in all Multiple Districts and almost all sub-districts, knowing the reality of this base, which stands out in the worldwide Leonism with great actions in SERVING and with the participation of more than 50% of female associates. We believe in the leadership of the PID "ROsane de Las Américas", in her charisma, an example of life as a volunteer, and her commitment to the causes of inclusion, diversity and women in LIONS. Known as our "Friend Forever", we trust in her potential of motivation, work, unity and we need your support for the realization of this great dream.

If you identify with PID Rosane, it is your right choice for 3rd International Vice President! We will send you a small, weekly, bulletin with news about PID Rosane. Join us and share! Leonistically, very grateful for the attention.

## MARCH: MONTH DEDICATED TO WOMEN

Dear friends

I chorus all the tributes that have been received and received, congratulating all the fighters, dreamers, who overcome prejudices, reminding and saluting the warrior Helen Keller who challenged the Lions to be the Paladins of the blind.

New women will build the new century. The 21st century will be deeply marked by the presence of women. His leadership is unquestionable and his presence is striking in all areas of this globalized world. Today, women are featured in the arts, sports, education, health, companies and organizations, in politics, without losing their sensitivity in the command of the family, their traditional base of action.

Reflect well on this sentence: THE WOMAN I DESIRE IS A PEOPLE IN FREEDOM.

Keep in mind that we cannot reach the desired place if we do not leverage each other and we need the support of avant-garde men who know the importance of this step.

Have no doubt, in thought I am with you. Forward friends! A very affectionate hug and the certainty of our friendship forever. PID ROsane

## MARCH: MONTH DEDICATED TO HONOR OF GOVERNORS

MARCH: Month destined to honor the District Government. In the history of Leonism, in this month of March, outstanding characters stand out: The District Governors, who reached the peak of their functions in their Districts, a conquest for certain merit, and exercise their mandates with brilliance despite the difficulties experienced.

In this month dedicated to District Governors, I want to register my tribute, my affection, my admiration for the conquered and respected leadership and for the beautiful pages they are writing in the history of the International Association of Lions Clubs.

Congratulations, and thank you, Governor, for your dedication, enthusiasm, and relevant work, contributing positively to the tireless search for a fairer and more humane world.

With a lot of determination, dedication, determination, love, in the fight for a lion with more hands to serve and quality in actions, they make a difference not only in your District: They make a difference in the World! Governors with the awareness that Authority is not having a title, an important name, an outstanding function ... this authority is fleeting ...

Who has authority? One whose Authority is transmitted by the word with intelligence, with the truth, with the conviction of the heart, then the Word with Authority! This word allows you to lead with the example that draws crowds;

This word allows you to make room for new leaders;

This authority makes it possible to meet the needs of those being led, with an attitude ... just like the Authority of Jesus Christ. Because as Maxwell says, "Leadership is not about titles, positions or hierarchies. It is a life that influences another".

Congratulations to these great undisputed leaders of Brazilian and international lionism!

Long live District Governors, long live LEONISM!

Let the teachings of this experience be passed on to future Governors, so that they can take bolder steps in our day to day walk in the LIGHT of SERVING.

SERVING IS AN ACT OF LOVE!

A very affectionate hug from Amiga Para Sempre: PID ROsane Teresinha Jahnke

On behalf of the District Governors of my DM LD, I pay tribute to all the Governors in the world, this month of March.  
Congratulations!

"Awakening in the hearts in an increasingly intense way the desire to serve is the mission of every lion and leads to a participatory and solidary society."
