FAMILY: BASIS OF ROSANE WALK

Always supported intensively by her family, ROSane is a volunteer convinced of the need for her work, her effort for a more just and fraternal society.

“We grew up following his trajectory, always worrying and helping those who needed it most. This taught us many things and always filled us with pride. We learned to see the world through the eyes of a warrior woman, kind and supportive who taught us the true meaning of what love is. This love that gives us unity and strengthens us to fight together and support you whenever you need. WE LOVE YOU MOMMY. Always count on us!”
Your sons: PABLO, DIEGO and RAMON.

“A charismatic person, dedicated to lionistic causes, loved and admired by everyone. Her firm and determined personality leaves no doubt who she is and where she deserves to go! Our immense affection”.
Your Brother JULIO and sister-in-law DUUH

My family, although small by blood ties, have giant bonds of love and unity. It gives me the energy necessary to continue on this journey and the strength to continue in search of the dreams of everyone who follows this journey together. Thank you my beloved family, I love you so much!
